AND DO THE LEGS IN THE SAME WAY.
I BET THAT'S WHAT THE PROS WOULD DO.
I'LL MAKE SEPA-RATE PARTS FOR THE ARMS...
THE BUTT'S IMPORTANT, TOO.

THIS IS THE BACK OF THE BOOK!

This manga collection is translated into English but oriented in right-to-left reading format at the creator's request, maintaining the artwork's visual orientation as originally published in Japan. If you've never read manga in this way before, take a look at the diagram below to give yourself an idea of how to go about it. Basically, you'll be starting in the upper right corner and will read each balloon and panel moving right to left. It may take some getting used to, but you should get the hang of it very quickly. Have fun!

GANTZ
OMNIBUS / 7

After earning enough combat points, the Gantz alien fighters are given three choices: freedom, better weapons, or resurrect a dead Gantz warrior. Each fighter has suffered greatly, and each has experienced devastating loss. Are they willing to further risk their own lives to bring back a fallen friend, or can they bring themselves to abandon the comrades who have bravely fought beside them?

A terrifying adult science-fiction epic of fierce imagination, Hiroya Oku's *Gantz* has sold over fifteen million copies in Japan and inspired three feature films and an anime TV series. This value-priced collection features 640 pages of shock and awe!

"*Gantz* is unrelenting."
